This is the third office action for application number 10/051,988, Methods and Apparatus for Manufacturing Muntin Bar Assemblies, filed on January 16, 2002.

Reasons for Allowance

The following is an examiner's statement of reasons for allowance: the primary reasons for the allowance of the claims in this application are the limitations of a keeper for joining a first muntin bar segment to a second muntin bar segment wherein the tip portion of the keeper is dimensioned for piercing a wall of the first muntin bar segment to create an opening therein, included in substantially in all the independent claims and in combination with the other elements in the respective claims. These combinations are not found in the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
